## Objective

Driven and ambitious individual with a foundation in mathematics and computer science from the University of Cape Town, supplemented by intensive training in web development at Umuzi. Eager to leverage my skills and my prior experience to apply for a managerial job at a high-level company.

## Education History

### University Cape of Town (UCT)

Bachelor of Science in Mathematics and Computer Science (Incomplete)  
[2018-2023]

## Professional Experience:

### Web Development BootCamp, Umuzi

Participated in an intensive web development program, gaining hands-on experience with various programming languages.

## Relevant Skills

- Proficient in Python, Java, HTML, CSS, JavaScript, and related web technologies.
- Knowledge of version control systems like Git
- Strong problem-solving abilities and analytical skills developed through mathematics and computer science coursework.
